

NOTICE
Most Worshipful John R. Heisner Lodge #442
Free & Accepted Masons of the State of California
Jack Gobel Memorial Scholarship Fund
Annual Scholarship Programs

Each year MW John R. Heisner Lodge provides for three types of scholarships. The first type is awarded to graduating high school seniors who meet the requirements of the scholarship program. Masonic relationship or membership is not required. The second type is awarded to graduating high school seniors who meet the requirements of the scholarship program and are also children or grandchildren of MW John R. Heisner Lodge Members. The third type is awarded to college students for continuing college support who have previously been awarded the Graduating High School Senior Scholarship or the Children of the Lodge Scholarship.

Community - Graduating High School Senior Scholarships

MW John R. Heisner Lodge presently is budgeting \$4,000.00 for graduating high school senior scholarships. These scholarships are awarded to graduating high school seniors that will be attending an accredited four (4) year institution of higher learning as a full-time undergraduate freshman. Typically, the committee awards \$2,000.00 to one or two applicants. This is a general public scholarship. In the event no scholarship is awarded to a Community Student, the monies may be reassigned to one of the other scholarships. Masonic relationship or membership is not required.

Children of the Lodge – Graduating High School Senior Scholarships

MW John R. Heisner Lodge also is budgeting \$4,000.00 for two graduating high school seniors who happen to be a child or grandchild of a member of MW John R. Heisner Lodge No. 442. Please note, that this Scholarship is not a general public scholarship and is evaluated separately from that of the Community Scholarship Program. There is no minimum grade point average required for submitting an application. This scholarship is awarded to a Lodge child who is a graduating high school senior who will be attending an accredited four (4) year institution of higher learning as a full-time undergraduate freshman. This year the committee is awarding \$2,000.00 to one or two applicants. In the event no scholarship is awarded to a Children of the Lodge Student, the monies may be reassigned to one of the other scholarships.

Continuing College Support Scholarships

Recipients of both the Community and Children of the Lodge graduating high school senior scholarship programs are also eligible to apply for continuing college support subject to the conditions of the scholarship program. MW John R. Heisner Lodge presently budgets \$4,000.00 annually for the continuing support of our scholarship recipients to attend college. This continuing support is divided among applicants the committee finds most worthy. The amount awarded to each student for continuing support is variable and is dependent upon the merit of each application. Failure to win an award one year does not disqualify an applicant from applying the following year. Nor does winning an award one year guarantee awards in the succeeding years. Each application for continuing support will be individually reviewed for its own merits. In the event no scholarship is awarded to a Continuing College Student, the monies may be reassigned to one of the other scholarships.

The amounts awarded and the number of individuals being awarded is at the sole discretion of the Lodge's Scholarship Committee. All awards are subject to funds available. This fund does not have sufficient resources to grant awards to all worthy students who may apply.
